Re: Meyer and Streed v. The Literal Co, et al
Case No. 23-cv-06539

Dear Judge Clarke:

This office represents Plaintiffs in the above-referenced matter. The parties jointly request an extension of time to submit to the Court the terms of the parties' settlement, and joint letter explaining why they believe the settlement reflects a fair and reasonable compromise of the disputed issues, from April 12, 2024 to April 17, 2024. This is the first request for an extension of time. The reason this extension of time is being requested is that parties are working through the specific final language of the settlement agreement. Should the Court have any further questions, feel free to contact us.

We thank the Court for its courtesies.

Yours, etc.,
